DRAYTON VALLEY ROTARY CLUB STAGES HUGE CAR BINGO.

Drayton Valley Rotary Club put on an in-car Bingo game in the Drayton Valley Rodeo grounds the evening of Wednesday, September 10. A total of 1601 Master Bingo Cards were sold.

Two brand new Chevrolet cars were won by local residents. One of the cars was won by Mrs. Fred De Groot, whose husband is employed with Mobil Oil. The other was won by Mrs. Iris Shelton, of Entwistle, whose husband is a trucker. The Shelton's lost everything in a house trailer fire about two months ago, and they had no car, so the new Chevies were well received.

Also given were other valuable prizes, including a deepfreeze, a refrigerator, a Hi-Fi, a washing machine, a sewing machine and a chrome set. Gate prizes consisted of two radios, one a regular radio and one a custom car radio. Winners of these prizes will be announced next week.

The evening is reported by all to have been most pleasant. At the close a minor disturbance occurred when a man who was under the influence of liquor caused a little trouble, which was greatly exaggerated in radio reports, which were given of the incidence. The one who caused the disturbance was brought up in police court the next morning and charged with causing a disturbance in a public place and was fined and charged court costs.

RIG WORKER KILLED AT CYNTHIA

A rig accident a few days ago took the life of Art Toeler, aged about 30, in the Cynthia area. The accident occurred at the Regent Drilling rig site last Sunday morning.

Mr. Toeler was married and had a family. He was living in Lodgepole at the time of the fatal accident. According to reports a drill rack fell over on him, crushing him to death.

Coroner Dr. Brooks has ordered an inquest which will be held on September 18, in Drayton Valley.

WRESTLING CARD SEPTEMBER 18.

Drayton Valley Lions Club is sponsoring another wrestling card in the Drayton Valley Curling Rink at 8:30 p.m. Thursday, September 18.

Each of the previous events have been quite well attended and it is expected that this one, too, will attract a good crowd.

Billed on the card are Murray Parks, of Drayton Valley vs. Butch Higgins of Edmonton. The second match is a Girls Tag Team, with Marg Oeski of Edmonton and Joyce Smythe of Minot, North Dakota pitting their skill against Ivonne Ames of Portland and Corine Jackson of Spokane. The first event will be a First Fall or 30 minute time limit, the girls match will be 2 out of 3 falls, or 1 hour time limit and the main event, between Mr. Grizzly, of Kitchikan, Alaska and Jack Krys, of Spokane, versus the Osborne Brothers. Bud and Ray, from Jasper Place, will be a 2 falls out of 3 or a 1 hour time limit deal.

Referees will be Phil Klein. Proceeds from this and previous matches goes toward the furnishing of a room in Drayton Valley Hospital.

KEN MASON'S COLUMN:

EDMONTON -- Provincial Liberals have been pushed well out of the limelight in recent weeks, what with the five-year plan unveiled by Social Credit and the Conservatives' leadership convention.

Last week, in an effort to grab a few headlines for themselves, the Liberals took the wraps off the agricultural policy they will be offering to Alberta voters in the next general election.

A main feature of the agricultural program would be a "comprehensive" system of farm credit at low interest, covering the whole field of farm operation, including livestock, equipment, farm homes, land and improvement.

According to a release issued by Harold McLaughlin, M.L.A. for Stony Plain and chairman of the party's agriculture committee, the farm loan program would be co-ordinated with existing federal plans.

The agricultural program and other plans in the party's platform will be submitted for approval to the Liberal leadership convention slated for Edmonton Oct. 31 and Nov. 1.

Other aims of the farm policy would be to:

-- Co-operate with the federal government in developing a satisfactory system of crop insurance.

-- Give rural areas more help in acquiring modern utilities, such as telephones, and natural gas, through planned development and interest-free loans.

-- Expand and improve district agricultural services and give more aid to municipalities for agricultural service board activities.

-- Make better use of agricultural school facilities by transferring them to the department of education, and with the addition of trade and vocational training courses.

In their policy statement the Liberals also call for central administration of water control and conservation under one department, which would administer water for power, irrigation, domestic and industrial use.

They also recommend a provincially-assisted system of seed distribution aimed at increasing the use of grass and forage crops, and development of a community pasture system along the lines of those operating in Manitoba and Saskatchewan.

An overall plan to meet the possibility of a feed shortage in drought years is suggested, along with an "impartial survey" as a first step toward a solution of the controversy over grazing leases in forest reserves.

Look for more policy statements from (cont'd next column)

Ken Mason's Column (cont'd)

the Liberals between now and the leadership convention, and you can expect the Tories to be making noises also from time to time. They both know they'll have to come up with something pretty strong to counter Social Credit's five-year plan.

The way things are going, with the rival political parties trying so hard to outbid each other for public favor, Alberta's next election campaign should be a lively one.

NEW FISH AND GAME CHIEF -- Alberta has a new fish and game chief. He's Curt P. Smith Jr., well-known sportsman, and he's walking into a tough job at a particularly tough time in the field of wildlife management in Alberta.

The appointment of Mr. Smith has political overtones. A powerful and vociferous group of sportsmen has been pressing the government to appoint a full-time fish and game administrator. In the past, the government has resisted the pressure, but now apparently it has decided to yield.

Eric S. Huestis, who has been director of forestry and fish and game commissioner for the past 17 years, will now devote all his time to forestry. The announcement of the change mentioned that the new five-year plan will mean a lot more work in forestry.

Mr. Smith, an agriculture graduate and former president of the Alberta Fish and Game Association and Western Canada Fish and Game Council, is at present the assistant superintendent at Elk Island National Park. He takes over his new post Nov. 1.

In his new job, he'll be under a lot of political pressure from many quarters. Nothing, but nothing, can stir up controversy like fish and game policies. And experts agree that wildlife management is one thing that should be based strictly on science, without any inside interference.

Mr. Huestis solved the problem of outside pressure by being tough. Once policy was established, he wouldn't waver. He's tough enough to tell anyone -- no matter how important -- to go to blazes. This, of course, makes a number of people unhappy.

Whether Mr. Smith can handle one of the toughest jobs in the provincial government and still keep everyone happy is anyone's guess at this point. But initial reaction from sportsmen is that the idea of a full-time fish and game chief is a good one.....

"YOUR STORE OF FINE FOODS"

From time to time we will run a short message from various Ministers in Drayton Valley. The first, by the Reverend Albion Wright, of Drayton Valley United Church, appears herewith.

HAVE YOU TRIED?

Despite the fact that many of us are rather proud of our own endowments we often under-rate our abilities. We are unaware of our own potential. There is an old saying to the effect that it is better to have tried and failed than never to have tried at all. It is only through trying that any of us are able to learn what our potential is.

The following quotation from the book, "Treasury Of The Christian World" edited by A. Gordon Masby has a message for all of us at this time of year.

"Think of the Gloucester printer, Robert Raikes, in 1781—a man of ordinary endowments, of ordinary position, ordinary in everything except the priceless gift of a loving Christian heart. He saw the ragged children rioting about on Sunday streets of Gloucester. Hundreds of others must have noticed the same thing, but it had never occurred to them to remedy the mischief. Convinced that crime is the daughter of ignorance, he hired four poor women to teach those children the Bible and the catechism on Sundays. I never pass his statue on the Thames Embankment without a sense of pleasure. 'As I asked, Can nothing be done?' he tells us a voice answered 'Try.' 'I did try,' he says, 'and see what God hath wrought.' There are now Sunday-School teachers by tens of thousands all over the world; but humbly speaking they all owe their origin to that one word 'Try,' so softly whispered by some voice Divine to the loving and tender conscience of Robert Raikes a hundred years ago." (F. W. Farrar)

It is now almost 160 years since Robert Raikes provided the spark that lit the fire of the Sunday school movement. There are many needs in the world that we can do nothing about, but here is one need right in our own town that we can respond to. Why not try? Phone your Sunday School Superintendent or Minister and offer to try.

* EASTFORD NEWS.

BY Inez Oscar.

Mr and Mrs Leonard Litke of Prince George, B.C., are here visiting friends and inspecting their farm in the district. The Litkes are newlyweds.

On Sunday evening a miscellaneous shower was held at the home of Mr and Mrs Les Hutchinson for Mrs Litke. She received many lovely gifts.

On Monday Mr and Mrs Dodson, of Creston, B.C., were seen driving around the neighborhood and stopping to chat with old acquaintances. They were accompanied by Mr Dodson's brother from Illinois. The Dodson's are old timers in Drayton Valley.

Recent patients in D.V. Hospital who are now home and feeling better are Glenn Oscar, Mrs M. Oscar and Pete Hutchinson.

Farmers are busy threshing. Grain is turning out very well with heavier yields than usual.

Mrs Louis Gregor, of Rocky Rapids, is ill in Drayton Valley Hospital.

FUNERAL SERVICES HELD FOR MRS URKEVICH

Funeral services were conducted in Rocky Rapids Church for Mrs Helena Urkevitch, long-time resident of the Rocky Rapids district. Reverend Albion Wright conducted the funeral and interment services. Mrs Urkevitch passed away on September 3. Funeral services were conducted on Saturday, September 6, with interment in Drayton Valley cemetery.

Mrs Urkevitch was born in Grodno, Poland, in 1897. She came to Rocky Rapids in 1931 to join her husband John who had come out to Alberta a few months previously, and who had filed on the homestead near Rocky Rapids. Her husband had preceded her in death, having passed away on August 23, 1957.

FUNERAL SERVICES HELD FOR MRS URKEVICH (continued)

Left to mourn the passing of their mother are Lena, Violet and Mike, at home.

Daughter Mary (Mrs Edwards) and husband, Ned Edwards, of Edmonton; daughter Anne, (Mrs Cherrington) and her husband, Les Cherrington, of Edmonton; son Nick, with his wife Louise, of Drayton Valley.

Mrs Urkevitch also left behind her three grandchildren, Brian and Darlene Cherrington and Donna Urkevitch.

Relatives who carried Mrs Urkevitch to her final resting place were old friends of the family, Mr David Glas, Mr Jas. Schen, Mr Fred Samson, Mr Fred Seutler, Mr John Rosanek and Mr Lawrence Brown. The Urkevitchs had had many friends in the years they had lived in this district and the passing of Mrs Urkevitch a year after the death of her husband leaves a vacant spot in the hearts of all who knew them.

Mr. Frank Murray, of Edmonton, was a guest of the Henry Dunningtons for several days last week.

Brian Burke, son of Mr. and Mrs. Angus Burke, of Rocky Rapids, has the misfortune to lose an eye while playing bows and arrows with his friends last week.

The Induction Service for the Reverend Albion Wright will be held September 16 at 8 p.m. in the church basement. Ladies are asked to bring either sandwiches or cake. Coffees will be served by the ladies of the W.A.

The first fall meeting of the Drayton Valley branch of the United W.A. was held at Mrs. Shearer's home. Plans were made for the annual turkey supper to be held in October.

The October meeting will be held on the second at the home of Mrs. Wright.

The first fall meeting of the Violet Grove branch of the United Church W.A. was held at the home of Mrs. Freeman Hill on Tuesday, September 9. Eight members and two visitors were present.

It was decided to hold a tea and bake sale on Saturday, September 27 from 2:30 to 5 p.m. in the basement of the United Church in Drayton Valley.

The October meeting will be held at Mrs. Grinde's home.

A wedding of interest was solemnized in Edmonton on September 6, when Marjorie Jensen, daughter of Mr. and Mrs. Milton Jensen, of Moon Lake, and Arant Brown, formerly of Entwistle, were united in marriage by the Reverend William Elkin. The bride was attended by her sister, Miss Myrna Jensen. Kenneth McCrae was best man.

A reception was held at the home of Mrs. Baer, the bride's aunt.

In the evening a wedding dance was held at Moon Lake. Mr. and Mrs. Brown will live in Edmonton.

his family to Slave Lake where he will fish and raise mink.

Mick Uchysyn bought Albert Lainsbury's truck and will haul livestock to Edmonton.

Ted Tucker's truck was badly damaged in an accident when a motorist coming in from a side road failed to yield the right of way. Fortunately no one was injured.

One Hundred sixty-five donors arrived at the Blood Donor Clinic Monday. Of these seven were rejected. The W.A. had charge of arrangements. The Royal Purple served tea. The staff of the Conservation Board came to the rescue at unloading time when scouts were unable to help.

By this way, did anyone else notice the beatific expression on the countenance of the local editor when he was assisted to rise by a very beautiful blonde nurse.

Larry Derouin left by air on Wednesday for Houston, Texas. He is driving a truck back for his company, and expects to be gone about ten days.

SOFTBALL NEWS.

Reported by: Gene Baley.

Playoff game was played Wednesday evening, September 10 between Mobil Oil and Pembina Pipe Line. Mobil Oil ended up on top with a 7-5 score, in a good game which saw the pitchers emerge as stars, with good hurling on both sides. The last inning was scoreless, with the pitchers keeping the teams to no hits. In the 4th Mobil scored first home run with one on base, which put them on top of the heap 2-0. When P.P.L. came to bat they got a walk and 2 hits to load the bases. In a tough bind, Mobil walked one run in and then P.P.L. scored 3 more runs which left a score of 4-2 for P.P.L. at the end of the 4th inning.

Then the pitchers got back to serious business again and played very good ball but Mobil came up with another timely homerun, this time with 2 on to make it 5-4 for Mobil at the end of the 5th.

On a couple of passed balls by P.P.L. pitcher Mobil scored another 2 runs and then struck out a couple of men to retire the side for the 6th inning.

The game ended in the top of the 7th when P.P.L. grounded out to Mobil infield and the game finished 7-5 for Mobil.

To get into the finals Mobil Oil disposed of Pan Am for 2 straight games and P.P.L. beat out the strong Texas team, which was favorite, at Lodgepole, to gain their berth against Mobil Oil.

The second game of the series was played at Lodgepole Thursday, Sept. 11; Results of that game will be given next week.

ROTARY BINGO

AN OPEN LETTER FROM THE ROTARY CLUB.

The Rotary Club of Drayton Valley wishes to extend sincerest thanks to all the many volunteers who gave assistance at our recent Bingo.

We also wish to thank all who attended and made it a success.

We do regret that there was a small group who caused a disturbance at the close of the game.

It is in this respect that we would like at this time to clear up any misunderstandings that may exist.

As you all know, the Rotary Club is attempting to provide Kiddies Playground facilities and general beautification of one of our park areas. This is a big and costly project for our small Service Club and the Rotary members are, from time to time, undertaking fund raising ventures for this purpose.

Our Bingo was our biggest venture. We planned to provide a 5 Car Bingo which we calculated would take at least 3000 paid admissions to finance. To protect the club against possibility of loss in this venture our advertising on all posters and in the Pembina News Advertiser clearly stated that ONE CAR WOULD BE GUARANTEED FOR EVERY 600 PAID ADMISSIONS. These posters were prominently displayed from Drayton Valley to Buck Creek, Lodgepole, Red Deer, Edson, etc.

The Bingo was well received and well attended, but when the count of paid admissions was made it was found that the total was 1601. Of a total of 3000 Master Cards available and ready we still have 1399 cards unsold, still in their cartons, which verified our figures.

In accordance with our advertising, 2 cars were played for, along with 8 other major prizes.

We know that most citizens realize that the Bingo was presented exactly as advertised, and feel that the unjustified criticism was due to a misunderstanding among a small percentage of those who attended.

Once again, many thanks to all who assisted in this worthy cause.

The Drayton Valley Rotary Club.
